“ Very happy with my grass, they did an amazing job. Talked me through each stage. Very impressed, the dog loves it too. **”**

Sharon O'Sullivan 

“ Had a maintenance call today with Abdul. He was very professional, helpful and the grass looks completely regenerated. Very pleased with the service. **”**

Alan Kingsbury 

“ We are so pleased with the transformation of our garden from Easigrass. Since we've had it done a couple of weeks ago, we've been in the garden every single day it's gone from a soggy, muddy garden to a place we enjoy spending time in and our kids absolutely love it! Easigrass are a team of professional and kind people. **”**

Anna Duffield 

“ From David the salesman, the office girls and installation team. This has changed my new build dustbowl into a lovely garden space. My neighbour had the Chelsea and we have the Belgravia, both a superb quality. If testing stand on these and compare against cheaper astro and the difference is huge, well done Easigrass Essex 10/10. **”**
