

Premier Tee

30mm pile height

The ultimate tee product, equipped with a triple stabilised polyamide yarn making it the most rigid tee grass available on the market. A good golf swing start with a proper posture, and proper posture starts with a stable stance, all achieved by teeing off on Premier Tee 30mm.

What makes Premier Tee so good?

-  100% nylon extra stabilised
-  Ultra-high density
-  Premium tee product

natural characteristics
