

Tour Putt Ultimate

25mm pile height

The result of years of research and development which has culminated in our engineers being able to create a perfect surface for approach shots, combined with fantastic putting characteristics. The 100% nylon yarn ensures that the putting surface doesn't allow the ball to start to roll too quickly providing a beautiful and consistent playing surface all year round.

What makes Tour Putt Ultimate so good?

- ✓ Non directional speed
- ✓ 100% nylon micro curled
- ✓ Hybrid putting green surface

natural characteristics

UK wide installation

made in Europe

proven performance

Technical specification

Yarn detex
7.200 Dtex / 12 ply

Stitches per m1
130

Pile weight
1520 gr/m2 (±10%)

Primary backing
100% PP double layer with fibre-lock fleece

Stitches per m2
27.300

Total weight
2760 gr/m2 (±10%)

Coating
SBR latex; aprox 990 gr/m2

Roll width
2 metres or 4 metres

Water permeability
aprox. 60 liter / m2

Roll length
target length approx. 25 linear metres

Tuft gauge
3/16" gauge

Fibre
100% polyamide (nylon)
micro curled, special 12 ply
